Easter Newsletter

A message to parents

Thank you for such a wonderful Spring term, it has been lovely to get parents back into school to watch our amazing students show off their talents in the music concert and the Easter production, as well as having parents come into Reception and read a story to the children at the end of the day. This term we raised over £800 for charities including Red Nose Day and the Ukraine Appeal, thank you to everyone who donated and helped. There have been many things happening in school with Upper Key Stage 2 exploring their Space topic with an inflatable planetarium, Lower Key Stage 2 having a fantastic Egyptian day and Key Stage 1 enjoying visits from a local author. We are looking forward to a wonderful summer term, enjoy the Easter break!

Important Dates:

Year 3 /4 Easter Production- Wednesday 6th April

Easter Service (via zoom)- Thursday 7th April

Half Term - 8th -22nd April

Planetarium

UKS2 had Wonderdome Planetarium visit last week as part of their "Space Explorers" Topic. They looked at where we are in the solar system, the International Space Station, and looked more in depth at the Moon Landings. We predicted what our future in Space may look like and how we may utilise the moon to do this.

School Direct Teacher Training

Teach Bolton | Teach Merseyside | Teach East Manchester

Our Teach North West School Direct course is expanding into Merseyside and East Manchester and we are currently recruiting trainees to begin their teacher training journey from September 2021

Do you know an outstanding candidate looking to begin teacher training?

At Teach North West, training is delivered in school from the very first day.

If you find that you learn best 'on the job' and would prefer to do all of your training and practice at a local school, then our highly nurturing and trainee-focused School Direct course could be the best route for you.

Here's what some of our past trainees have to say about the course:

"The course is a fantastic opportunity to work with talented teachers and see how a classroom works from start to finish. I felt really supported throughout the training and was totally prepared to have my own class in September. I love my job as a Year 2 teacher and I wouldn't have completed my teacher training any other way." Trainee 2018, now employed within a Vantage school

"The School Direct route gave me first-hand experience in the classroom. From the start, I was able to work alongside experienced teachers that offered exceptional support and advice. Teach Bolton fully equipped me with the knowledge and skills I needed in order to progress with my career." Trainee 2020, now employed within an Alliance school.
