School Direct Teacher Training

Teach Bolton | Teach Merseyside | Teach East Manchester

Our Teach North West School Direct course is expanding into Merseyside and East Manchester and we are currently recruiting trainees to begin their teacher training journey from September 2021

Do you know an outstanding candidate looking to begin teacher training?

At Teach North West, training is delivered in school from the very first day.

If you find that you learn best 'on the job' and would prefer to do all of your training and practice at a local school, then our highly nurturing and trainee-focused School Direct course could be the best route for you.

Here's what some of our past trainees have to say about the course:

"The course is a fantastic opportunity to work with talented teachers and see how a classroom works from start to finish. I felt really supported throughout the training and was totally prepared to have my own class in September. I love my job as a Year 2 teacher and I wouldn't have completed my teacher training any other way." Trainee 2018, now employed within a Vantage school

"The School Direct route gave me first-hand experience in the classroom. From the start, I was able to work alongside experienced teachers that offered exceptional support and advice. Teach Bolton fully equipped me with the knowledge and skills I needed in order to progress with my career." Trainee 2020, now employed within an Alliance school.

Tuesday 7th May- Return to school.

Jubilee Celebrations

We thoroughly enjoyed celebrating the Queen's Jubilee with a fantastic picnic and flag waving parade. The children enjoyed doing lots of activities throughout the day from decorating biscuits, to painting flags and practicing the national anthem. This was a great opportunity to learn all about the Queen and our history. It was lovely to see all our parents coming onto the field with their fruits and cakes as well. We hope you all enjoyed it as much as we did!

School Direct Teacher Training

Teach Bolton | Teach Merseyside | Teach East Manchester

Our Teach North West School Direct course is expanding into Merseyside and East Manchester and we are currently recruiting trainees to begin their teacher training journey from September 2021

Do you know an outstanding candidate looking to begin teacher training?

At Teach North West, training is delivered in school from the very first day.

If you find that you learn best 'on the job' and would prefer to do all of your training and practice at a local school, then our highly nurturing and trainee-focused School Direct course could be the best route for you.

Here's what some of our past trainees have to say about the course:

"The course is a fantastic opportunity to work with talented teachers and see how a classroom works from start to finish. I felt really supported throughout the training and was totally prepared to have my own class in September. I love my job as a Year 2 teacher and I wouldn't have completed my teacher training any other way." Trainee 2018, now employed within a Vantage school

"The School Direct route gave me first-hand experience in the classroom. From the start, I was able to work alongside experienced teachers that offered exceptional support and advice. Teach Bolton fully equipped me with the knowledge and skills I needed in order to progress with my career." Trainee 2020, now employed within an Alliance school.
